

## EXTENDED CARE PROGRAM 2021-2022 REGISTRATION INFORMATION

*Both Registration and Contract must be submitted by August 24, 2021.*

The extended care program operates daily while school is in session from 6:30 AM to the start of the school day and from the end of the school day to 6:00 PM. Before using this Program, all children must be registered with a signed contract and have the proper paperwork on file before the first day of attendance.

***\*\* Snack will be provided by the parent/child \*\****

***\*\*Children must be fully potty trained and at least 3 years of age to use extended care\*\****

Families who use the program regularly must be contracted. The contracted plan is a flat rate program, which means that the fee is independent of the number of school days in the month. Since absenteeism, emergency days, and snow days are unplanned and unpredictable, the monthly fee will not be adjusted.

The contracted plan must be used on consistent days of the week. For example, a family signed up for two days a week must use the same two days (i.e. Monday and Wednesday) every week. Families who will not be using care on consistent days must pay the drop-in fee daily or pay the contracted rate for all days used.

Below, are the services available and the associated fees:

**Registration Fee:** \$25.00 per child for contract users (non-refundable; included with first monthly payment)
